

## **Course on Fake News form June 10 2019**

Priyadarshini Institute of Engineering and Technology is organising two weeks course module on **'Impact of Fake News'** starting from June 10, 2019 at 10 am.

This course is co-funded by Jean Monnet Erasmus Plus Programme of European Union. 15 different expert speakers would be delivering sessions on various aspects of Fake News.

The course is free of cost and the participants would be awarded with the course certificate.

The participants would also be taken for a visit to renowned media house.

Any interested person can attend the course irrespective of their qualifications.

The coordinator of the course Dr. Bhumika Agrawal and Principal of the institute Dr. Vivek Nanoti appealed the people to take benefit of this opportunity so as to become aware of the impact of Fake News.

For any query please contact **Dr. Bhumika Agrawal** at 9765136087 or **Mr. Ketan Bodhe** at 9421843255.
